Epileptics' fears over shortages

THERE has been a "steep rise" in the number of people struggling to get hold of medication which helps control their seizures, the Epilepsy Society says.

The charity says "anxiety and stress" are putting patients at greater risk of seizures.

It is calling for the government to commission an urgent review of the medicines supply chain.

Although Brexit uncertainties have highlighted medicine shortages, there has been a problem for years.

Last week the drug company Sanofi said there were shortages of an epilepsy drug, sodium valproate, in some areas because of supply disruption at a factory last year, and not related to Brexit.

The company added that the situation was improving.

A Department of Health and Social Care spokesperson said: "As Sanofi has made clear, these issues are unrelated to our exit from the EU and they have followed the processes we have to manage any supply problems that may arise at any one time."

US tariff plan on EU goods

THE U.S. is considering imposing tariffs on about \$11bn (£8.4bn) worth of goods from the European Union in response to subsidies that support Airbus.

The World Trade Organization (WTO) has found that the subsidies have an adverse impact on the United States.

Aircraft and cheese are among the products that could be hit by tariffs, the US Trade Representative said.

The EU said the figure of \$11bn was "greatly exaggerated".

The move would mark an escalation in trade tensions between the U.S. and the EU.

WHAT THE DUCK?

Waitrose caves in to snowflakes over 'RACIST' chocolate treat

POSH shop Waitrose has caved in to "over-sensitive" snowflakes and apologised for selling a dark chocolate Easter duckling that was labelled as "ugly".

Touchy types with little better to do had whinged online that calling a choccy duck ugly was "racist".

Waitrose immediately crumpled and issued an embarrassing apology to try and placate the bellyachers.

The supermarket chain said it did not intend to "cause any offence" and it had replaced the £8 product with new labelling that removes the names.

Originally, the trio of Easter ducklings included milk and white chocolates called "crispy" and "fluffy" respectively, while the dark

choc was labelled "ugly". One shopper, who posted a photo of the item online, said she overheard fellow customers saying: "This is not right!"

And she added: "I agree – doesn't look good at all. Thousands of other options... why 'ugly'?"

However, other people have criticised those for suggesting the chocolate could be seen as racist, with one Twitter user saying: "If you want to fight real racism, please start with people – not innocent chocolate ducks."

The names of the choc appear to have been inspired by the song *The Ugly Duckling*, from the fairytale by Danish author Hans Christian Andersen.

MAY GROVELS TO THE GERMANS

PM begs Merkel for yet another Brexit delay

LEADERS:
May with
Merkel

THERESA May arrived in Berlin yesterday to beg German Chancellor Angela Merkel to back her case for a delay to Brexit at a crunch EU summit.

After going cap in hand to the Krauts, the PM then flew to Paris to try and win the support of the French President Emmanuel Macron, who warned an extension to the Article 50 withdrawal process is not guaranteed.

The visits came as the EU's chief Brexit negotiator, Michel Barnier, said Brussels could amend the Political Declaration on any future relations with the UK "within a few hours or days" to

By COLIN HURST

incorporate the customs union arrangement being discussed in cross-party talks between the Government and Labour.

But there were signs of resistance in May's Cabinet to compromise with Labour, with International Trade Secretary Liam Fox warning a customs union would leave the UK "stuck in the worst of both worlds".

Mrs May has asked for the date of Brexit to be delayed until June 30 at today's summit, with the possibility of an earlier departure if the UK's withdrawal deal is ratified.

But European Council president Donald Tusk is recommending a year-long delay, while French Europe minister Amelie de Montchalin suggested Paris may insist on conditions limiting British influence on EU decision-making during the extension period.

The unanimous agreement of all 27 remaining EU states is needed to avoid a no-deal Brexit on the scheduled date of April 12.

Settled

Ms de Montchalin warned that "the position of France has not changed" and that the EU27's approval of Mrs May's request is "neither settled nor automatic".

"We want to understand what

the UK needs this extension for," she said.

Then comes the question of the conditions – what role the UK wants to play during this extension, on what type of decisions it wants to play a role."

In a clear sign of opposition to concessions to Labour's demands, Dr Fox sent a letter to the chairman of the Tory backbench 1922 Committee setting out in detail his opposition to a post-Brexit customs union.

The letter warns that such an arrangement would leave the UK unable to set its own trade policy but forced to open its markets to any country with which the EU struck a free trade agreement.

Chelsea star Dan on drink drive rap

CHELSEA star Danny Drinkwater has been charged with drink-driving after a car crash.

The midfielder, who has three England caps, was arrested around 12.30am on Monday, Cheshire Police said.

Drinkwater, of Nether Alderley, Cheshire, was released on unconditional bail ahead of a hearing at Stockport Magistrates' Court on May 13.

A police spokesman said the player was arrested "following a one-vehicle incident".

One man, understood to be Drinkwater, and two women were treated at the scene near Mere, Cheshire, for minor injuries, police said.

It was reported yesterday that Drinkwater crashed his Range Rover after a chav-themed charity party.

A female passenger whom the player met that night was reportedly also in the car at the time.

Drinkwater signed for Chelsea from Leicester City in 2017 for £35m but has failed to make his mark in the London side.

He has not featured under Italian manager Maurizio Sarri or played a competitive game for 13 months.

DEBENHAMS MOVE SKINS ASHLEY

DEPARTMENT store chain Debenhams has entered into administration and immediately been taken over by its lenders.

The move allows the struggling business access to new funds to keep it afloat and comes after an 11th hour £200m offer by Mike Ashley's Sports Direct – which owned 30 per cent of the business – was rejected.

It will see stores continuing to trade as

normal for now – though dozens are already facing closure – but shareholders including Mike Ashley (left) will be wiped out.

The process saw administrators at FTI Consulting appointed before immediately selling Debenhams for £101.8m, together with debts worth £520m plus the firm's pension obligations.

Debenhams, which has 166 UK stores and employs more than

25,000 people, said that suppliers, employees, pension holders and customers would not be immediately affected by the transaction.

The high street chain has been hit by a sharp slowdown in sales, high rents and ballooning debts. Last October it reported an annual loss of £492m and confirmed plans to close up to 50 stores, putting about 4,000 jobs at risk.

HALSEY: MY TEEN VICE HELL

Hit singer mulled selling sex when she was penniless

EDGY pop star Halsey says she once considered having **SEX FOR MONEY** when she was growing up.

The 24-year-old – real name Ashley Nicolette Frangipane – was living in New York when she was weighing up the idea.

It was around the same time she adopted her new moniker, which is taken from the name of a subway station and is also an anagram of her first name.

Speaking at a charity event for the homeless, the *Without Me* singer said: "I was a teenager living in New York.

Bisexual

"My friends were picking out decorations for their dorms, and I was debating on whether or not I should let a stranger inside me so I could pay for my next meal."

Halsey, who says she has slept with women but now identifies as bisexual, has made a

plea to people to assist vulnerable members of the LGBT community.

She said: "Many of them have been ostracised from their families and from their communities because of people who don't agree with their lifestyle.

"This means that they have a harder time getting access to health care, to legal services, to education, to mental health services – which makes it all the more difficult for them."

BEEB NABS KILLING EVE

THE third series of *Killing Eve* will be shown on the BBC in the UK, it has been announced.

The show was renewed for a third instalment by its US broadcaster BBC America earlier this week and has been acquired by the UK broadcaster.

The spy thriller, based on the *Codename Villanelle* novellas by Luke Jennings and developed for TV by Phoebe Waller-Bridge, starring Sandra Oh and Jodie Comer (right) has been a hit with audiences and critics.

The second series started in the US on Sunday night and hits the UK later this year.

Madonna's Eurovision controversy

MADONNA is set to sing at the Eurovision Song Contest in Israel – amid calls to boycott the annual event.

The 60-year-old *Material Girl* star (above) will perform two songs in Tel Aviv on May 18, including a new single.

Madonna's decision to appear could prove controversial after other stars – including Pink Floyd's Roger Waters – called for a boycott of the event.

Waters, as well as fellow musician Brian Eno and filmmakers Ken Loach and Mike Leigh, put their names on a letter published in *The Guardian* backing an appeal from Palestinian artists.

It said: "We, the undersigned artists from Europe and beyond, support the heartfelt appeal from Palestinian artists to boycott the Eurovision Song Contest 2019 hosted by Israel."

"Until Palestinians can enjoy freedom, justice and equal rights, there should be no business-as-usual with the state that is denying them their basic rights."

Kids turning to cough medicine for Purple high

A COUGH syrup that contains opioids is being bought online for £4 a bottle by kids – who use it to get high.

The syrup, Codeine Linctus, is taken to treat tickly coughs but is no longer routinely stocked by high street chemists.

Children mix it with Sprite, coloured sweets and antihistamines to create a legal high called 'purple drank'.

YouTube tutorials on how to make the drink, made popular by Yank rappers, have been watched hundreds of thousands of times.

Last year, parents in Devon were warned of the craze after teenagers in Exeter arrived at school drowsy and droopy-eyed. Cases have also been reported in London, Manchester and Shropshire.

BLACKPOOL... spiritual home of the traditional seaside holiday.

But in the latest knock to the Jewel of the Fylde Riviera, Blackpool has been described as a "national embarrassment" by a powerful committee of Lords.

Fair enough, the peers are well-meaning and called for more investment in our seaside.

"For too long, seaside towns have been neglected," declared committee chairman Lord Bassam of Brighton.

Blackpool has been working hard to turn around its fortunes – with a revamped seafront, investment in its trams, a newly electrified direct rail link to London and investment in hotels.

But the town suffered serious deprivation and the focus on developing tourism may have hindered regeneration efforts, the report found.

It's all well and good focusing on the negatives, but Blackpool has a LOT going for it.

'We didn't have sex... he raped me'

WORCS CRICKETER DENIES SEX ATTACK

A WOMAN who claims a cricketer raped her while she was asleep told a court the "sick" attack left her in a state of shock.

Giving evidence at the re-trial of ex-Worcestershire CCC player Alex Hepburn, the complainant said she had not kissed him and wrongly believed she was having sex with his then team-mate Joe Clarke. Prosecutors allege Hepburn, 23, raped the woman at a flat he shared with Clarke in Worcester in April 2017 during the first weekend of a sexual conquest "stat game" set up on WhatsApp.

A jury heard the woman had consensual sex with Clarke after a night-out in which she drank wine, schnapps, vodka and Jagerbombs.

Hepburn, who denies rape, is alleged to have attacked the "dozing" woman after entering Clarke's bedroom while the England Lions batsman was asleep in a bathroom.

Cross-examining the complainant on the second day of the re-trial, defence counsel Michelle Heeley QC suggested that the woman either regretted or could not remember kissing Hepburn at the start of sexual activity lasting up to 20 minutes.

The alleged victim, who cannot be named,

DENIAL: Alex Hepburn pleads not guilty to charges

sexual activity, the woman said: "No way. I didn't get a say in it."

"I was asleep when it started."

During her evidence, the woman said she was unable to remember some details of the night when she was first spoken to by police, around an hour after a passer-by saw her in the street and dialled 999.

Answering questions put to her by prosecutor Miranda Moore QC, the woman said Hepburn had attacked her at about 5am and she had given initial details to a police officer at 6.25am.

Describing what sort of state she was in when she spoke to the officer, the woman told the court: "Horrendous. I couldn't stop shaking. I remember being cold, just shocked."

Hepburn has pleaded not guilty to two counts of rape, claiming that kissing led to sexual contact he believed was consensual.

The trial continues.

Flying cars to really take off!

FLYING cars could be the future for longer journeys, a study has found.

Several aerospace companies – including Airbus and Boeing, as well as the US space agency Nasa – are currently working towards making flying cars less of a fantasy, more of a reality.

The VTOL (vertical take-off and landing) prototypes are driven by small and efficient electric propulsion units. Now researchers have investigated

how practical electric flying cars would be in terms of energy consumption and greenhouse gas emissions.

Senior scientist Dr Gregory Keoleian, director of the Centre for Sustainable Systems at the University of Michigan, US, said: "To me, it was very surprising to see that VTOLs were competitive with regard to energy use and greenhouse gas emissions in certain scenarios."

Kelvin: Full Monty's life changing!

ACTOR Kelvin Fletcher says filming *The All New Monty* was "like a stag do", and added it was "life changing".

The ex-*Emmerdale* star will be joined by other celebs – including snooker champ Willie Thorne and *Love Island* winner Jack Fincham, as well as *Strictly Come Dancing* pro Gorka Marquez and *Crimewatch*'s Rav Wilding – to strip off on television to raise awareness of testicular and prostate cancer.

Kelvin, 35 (above) said: "I was unsure when I was asked to do this naturally, baring all. Yes, it's in the name of sending out a great message, but it's still getting your kit off in front of millions of people."

"But a friend of mine did it last year, and he says it's the best job he's every done – that was enough for me."

"I can honestly say it's one of the best things I've ever done. It was life changing."

VIDEO STAR: Kim K in sex tape with ex Ray J

Khloe credits big sis for Kardashian family fame

By JUSTIN DUNN news@sundaysport.co.uk

KHLOE Kardashian couldn't resist taking aim at sister Kim's infamous sex tape when she made an acceptance speech for a television award.

She spoke up after collecting the Best Reality Show gong at the MTV Movie and TV Awards. The Kardashians are back with the 16th season of their hit reality series and on Sunday's show, Kris Jenner awarded Khloe, 34, with her MTV award after the family's big win.

She jokingly presented Khloe with the prize, leading Khloe to make a mock acceptance speech where she cheekily said thanks to Kim for "f**king on camera" and making their family famous.

Cry

Khloe pretended to cry as mum Kris asked her who she wanted to thank.

Clutching her award, Khloe teased: "This is all so much pressure... my Lord and Saviour and Kimberly for f**king

on camera."

Kim, 38, found herself in the spotlight when a sex tape she made with ex-boyfriend Ray J surfaced back in 2007.

They had filmed the intimate tape in 2003 while dating.

Kris scolded Khloe for "never giving her any credit" in her faux speech, although she did seem to find it funny.

Mum Kris previously said that the tape being leaked was actually "devastating" for the Kardashian family.

Speaking to *The Hollywood Reporter* in 2017, she said: "It was one of the most horrific things that we, as a family, went through."

Thatcher town shaggers nabbed

A COUPLE have been reported for outraging public decency after being caught having sex in the birthplace of ex-Prime Minister Margaret Thatcher.

The pair are alleged to have stripped off on a night out and had sex in Grantham, Lincs, on Saturday March 30.

Their X-rated antics were filmed by a passer-by on a mobile and they only stopped when two police officers discovered the pair white on patrol.

A police spokesperson said: "While out on patrol in the Market Place, Grantham, officers discovered two

people committing a sexual act in public. Both were reported for outraging public decency."

Mrs Thatcher died aged 87 in 2013 after suffering a stroke at The Ritz Hotel in London, where she had been living after having trouble navigating stairs at her home in nearby Belgravia.

She served as UK Prime Minister from 1979 to 1990 and Leader of the Conservative Party from 1975 to 1990.

She was the longest-serving British prime minister of the 20th century and the first woman to hold that office.

Kit's 'sick' kiss scenes on Thrones

GAME of Thrones star Kit Harington says he deliberately made his sex scenes with Emilia Clarke even more awkward with a prank.

The 32-year-old's character Jon Snow finally got together with Clarke's Mother of Dragons, Daenerys Targaryen, in season seven.

Speaking before the new season eight starts, he said: "Emilia and I were best friends over a seven-year period by the time we had to kiss."

"Usually the love interest aspect of a story happens early on in a series, so you don't know each other well by the time you're being intimate."

"So with Emilia, we'd be looking at each other, and we'd be laughing when we had to do intimate scenes. Emilia, myself and my wife Rose Leslie are all very good friends. So, it's weird."

"Emilia is wonderful, I love working with her. And really, it's not hard to have to kiss her. But I did like pretending it was – I'd pretend to throw up when we had to kiss!"

GREASE legend Olivia Newton-John says she has an unusual NAKED sun-bathing technique.

The 70-year-old Aussie singer and actress' home is in a very "private" area so she doesn't need to worry about onlookers when she fancies sitting outside in the buff.

She said: "Where we live is very private. We've had lots of rain lately so if the sun comes out I will strip off and jump out."

But the blonde beauty also has to keep an eye out for snakes.

She added: "Here in Australia we've got tons of them – hiding under your seat!"

SMALLVILLE STAR COUGHS TO SEX RING CHARGE

BLACKMAILER:
Allison Mack

YANK actress Allison Mack has admitted blackmailing two women as part of an alleged New York sex cult that prosecutors called a racketeering operation.

Mack, 36 – who appeared in *Superman* spin-off series *Smallville* – entered a guilty

plea to racketeering and conspiracy charges before US District Judge Nicholas Garaufis in Brooklyn federal court on Monday.

She admitted coercing the two unnamed women into performing services by threatening to release

damaging information about them.

Mack said she had joined the organisation, led by self-styled spiritual guru Keith Raniere, a decade ago to find purpose in life.

Prosecutors have accused Raniere of running a cult-like secret society within his Nxivm organisation, where women were iron-branded with his initials, put on restrictive diets and forced to have sex with him.

Last month prosecutors unsealed new charges accusing Raniere of sexually exploiting a minor and coercing her to produce child pornography.

"Through it all, I believed Keith Raniere's intentions were to help people," Mack said. "I was wrong. I now realise that I and others engaged in criminal conduct."

There was no mention at the plea hearing of any agreement by Mack to cooperate with prosecutors against Raniere, who is expected to go on trial later this month.

Her lawyers declined to provide any further details about her plea deal.

Raniere, 58, was arrested on sex trafficking charges in March 2018, and is being held without bail.

Mack was arrested the following month.

Nxivm on its website calls itself "a community guided by humanitarian principles that seek to empower people and answer important questions about what it means to be human".

Smallville ran from 2001 to 2011 and featured a young Clark Kent before he became famous as Superman.

Mack played Chloe Sullivan, a close friend of the future Superman whose romantic feelings weren't reciprocated.

HORSE W*NK PERV PULLED PUD NEAR HOME BARGAINS

'He felt he was starting to confront his demons'

A PERVERT who is "unable or unwilling" to stop himself wanking over horses did it TWICE in just 24 hours.

Malcolm Downes, 61, has a "long history" of pleasuring himself near horses and was sent to prison in 2016 over his "totally disgusting" behaviour.

Downes, who was then said to be planning a doctor's visit "to

By SIMON BRISTOW

seek libido suppressing drugs", was arrested on February 18 this year after he was seen in a field in Bransholme, Hull.

A shocked member of the public thought Downes was urinating.

Prosecutor Neil Coxon told Hull Crown Court: "It became clear he was masturbating. This activity went on for three or four minutes. His penis was exposed for 10 minutes."

Interviewed that day, Downes told officers: "I was sat on a bench. I was feeling sexy so I started to..."

Attention

Mr Coxon said: "Asked if he realised it was an offence he said 'Yes'. Downes said he knew what he was doing was 'wrong' and said he 'didn't do it to draw attention to himself'."

Downes was charged and released on bail, but within 24 hours was seen by an off-duty female police officer doing the same thing in the same area.

The officer was driving towards a Home Bargains store when "her attention was drawn to this defendant at the end of an emergency access road".

He "had his penis in his hand and was masturbating".

It was not safe for the officer to stop so she sounded her horn to signal "he should desist".

Downes was arrested, taken into custody and was "again candid and straightforward" in his interview.

Mr Coxon said: "He did confirm he thought he had a problem. Asked why he did this, and particularly in public, he said he got a thrill – even though he knew it was wrong."

"He accepted if children had been in the area and seen what he was doing that would have frightened them."

"He accepted he had a problem and required help."

Downes, of Spring Bank, west Hull, admitted outraging public decency and asked for a similar offence to be taken into consideration.

Stephen Robinson, for Downes, said: "The defendant is very disappointed to be back before the courts again. He said he felt he was starting to conquer his demons. He believes this was some sort of lapse."

Jailing Downes for eight months, Judge David Tremberg told him: "You appear either unable or unwilling to stop yourself."

MY KRIS HAS A COCK LIKE A COURGETTE!

CHEEKY: Katie ogle veg in show

By COLIN HURST
news@sundaysport.co.uk

KATIE Price claims her fella Kris Boyson has a COCK like COURGETTE.

The star happily hyped up her boyfriend's willy in a preview of her reality show *Katie Price: My Crazy Life*, as the pair were seen doing some food shopping.

Bigger

But an innocent browse through the vegetable aisle saw things take a cheeky turn when the Katie, 40, picked up a hefty courgette and ogled it.

She asked Kris: "Can I just say something? How does it feel knowing you're bigger than that?"

Her comment clearly took Kris by surprise as he was left utterly speechless, only managing to give a shy laugh in response.

The on-off couple had eyes glued to Katie's Instagram page on Sunday after she had appeared to hint she was engaged to her 29-year-old toyboy.

The business woman and former *Loose Women* host shared a throwback photo of the pair taken during their romantic getaway to Thailand last month.

In the snap, Katie is seen snuggled up to the fitness trainer and lovingly pressing his nose with her finger.

But fans couldn't help notice that three-times married mum-of-five Katie was sporting a rather large diamond ring on her left hand – and the former glamour model even drew more attention to it by adding a ring emoji as part of the picture's caption.

However, a rep for the outrageous star has insisted: "No, she isn't engaged."

BODYGUARD RICH BLASTS TELLY NUDITY

HEART-THROB Richard Madden has spoken out about the DANGERS of on-screen NUDITY.

Richard, 32, who has appeared shirtless for roles in *Bodyguard* and *Game of Thrones*, has admitted he worked out twice a day and dieted before nude scenes in the past.

The Scottish star said in an interview with Britain's *Vogue* magazine: "We're projecting a very unrealistic body image. I find myself with actor friends – after we've done a barely eating, working-out-twice-a-day, no-carbing thing for these scenes – looking at each other going: 'We're just feeding this same shit that we're against'."

Madden added that it's not just women who feel pressure to lose weight for specific parts and says it happens to men "all the time" in the industry.

The actor said he's had his fat rolls pinched and been given costumes so restrictive they feel like a corset.

He added: "I've done numerous jobs where you're told to lose weight and get to the gym."

SNOWFLAKES GET PEAKY AT BLINDERS

Ace Beeb show 'glorifies violence' claims boffin

GANGSTER drama Peaky Blinders has been accused of glorifying violence by a US-based academic.

The show, about the lives of the fictional crime family in post-World War One Birmingham, has become one of the BBC's most popular programmes – with an average four million viewers tuning in.

It is loosely based on a real-life gang who used the same name – referring to their peaked flat caps.

The show is expected to return for a fifth series later this year.

But British-born academic Dr George S Larke-Walsh, of the University of North Texas, has published a paper claiming the show's writers use the war as an excuse to justify and romanticise violent behaviour.

Man breaks ankle on 'Corbyn' poo

A MAN needed hospital treatment after slipping on DOG POO and breaking his ankle on Labour leader Jeremy Corbyn's patch.

Paramedics were called to Petonville Road in posh Islington, after reports of a collapsed man.

When officers arrived they found the man had slipped on dog waste and was suffering from a suspected broken ankle.

Scotland Yard's Road and Transport Team tweeted: "Traffic officers from CentralRPT flagged down while patrolling the N1 area to a collapse in the street in Corbyn's constituency."

"First Aid was rendered to a man who had slipped on dog waste and sustained a suspected broken ankle until his care could be handed over to London Ambulance. "An eye witness stated the poo has since been removed from the scene."

By COLIN HURST news@sundaysport.co.uk

She claims the characters, including Cillian Murphy's gang leader Tommy Shelby, are shown to be damaged by the war to excuse their criminal actions.

Dr Larke-Walsh also claims they are made out as Robin Hood-esque characters fighting for survival in a "corrupt" world while using the Shelby family's gypsy heritage as a distraction.

In her paper, she writes: "It utilises nostalgia for nationalism, enacted within displays of extreme aggression as well as promoting regressive masculine ideals."

"In the current sociopolitical environment, and associated concerns about the prevalence of toxic masculinity, such presentations no longer feel safely confined to fantasy."

Series five will air in the summer or early autumn on BBC One.

OAP FACES JAIL OVER SICK ANIMAL PORN

BESTIALITY INTEREST:
Fox shared fantasies with perverts online

A PERVY pensioner was caught with a stash of bestiality porn involving women having sex with EELS, SNAKES and DOGS.

Gerard Fox, 66, is facing jail after building up a vile haul of videos.

He confessed to having a "sexual interest" in animals.

The retired logistics manager was caught when police launched an investigation after his IP address showed he was downloading extreme pornography.

Fox had 1,414 photos and videos showing people engaging in sex acts with a number of creatures.

Warped

He was also found to have 36,405 indecent images of children, with nearly 3,000 rated as being the most extreme.

They were stored between a laptop and an external hard-drive and many of the images were easily accessible and sorted into folders.

Investigators also discovered he had been

using Skype to share warped fantasies with other perverts he had met online.

Fox, of Stonehouse, Lanarkshire, appeared at Hamilton Sheriff Court and admitted having the haul between June 2015 and August 2018.

Depute fiscal Lisa Lann said: "Police received information from a national online child abuse prevention agency that during November 2017 a device was connected to the internet and indecent images of children had been accessed."

"Police seized a white Toshiba laptop and a hard-drive. The accused admitted ownership of them and advised he

was the only person to use them.

"There were a total of 36,405 images across both devices. They were held in folders that appeared to be organised by the user of the device.

An investigation found a Skype account on the laptop and conversations were extracted from this account which showed conversations with like minded adult males.

"It was expressed by the accused that he had a sexual interest in animals.

"Officers also found 1,414 images showing extreme pornography and the images showed a variety of women carrying out sexual acts with dogs, snakes and eels."

Fox will be sentenced next month.

Anal sex jibe doc struck off

A DOCTOR has been struck off amid claims he conducted unjustified breast examinations and made anal sex comments.

Dr Joseph Georgy was investigated after two women lodged complaints.

One, a 53-year-old cancer patient, accused him of an inappropriate breast examination.

A tribunal in Sydney, Australia, found the doctor also grabbed the woman's underpants and jeans and attempted to pull them down.

Another patient, being treated for piles, said Dr Georgy made comments about anal sex.

He claimed he told her: "When they come in for this treatment, they tell me to move the probe here and there as they are enjoying it. If you don't like this, you would be no good at anal sex."

Dead rap star Nipsey shoots back up chart

DEAD rapper Nipsey Hussle's only official studio album is back in the charts – at No.2 – a week after he was shot and killed at the age of 33.

Victory Lap only previously reached No.4 on its release in March 2018.

But the album racked up 66,000 album sales last week.

That was bettered only by 17-year-old Billie Eilish, whose debut album *When We All Fall Asleep, Where Do We Go?* went straight in at No.1.

Stars including Drake, Rihanna and Pharrell Williams paid tribute to Hussle after he was gunned down outside his clothing store in Los Angeles.

A man named Eric Holder has pleaded not guilty to murder and attempted murder.

SCOTCH beauty Kelly Macdonald's no prude when it comes to getting her kit off.

The 43-year-old babe is currently starring in BBC crime drama *The Victim* where, sadly, she keeps her clothes on.

But since making her film debut as nympho schoolgirl Diane in *Trainspotting*, Kelly has frequently paraded her best bits.

actor Daniel Craig in *Some Voices* (inset).

But it's *Trainspotting*, where she also showed her lovely bushy pubes, that really made her name.

Speaking about filming her minge-out debut, she said: "It was obviously nerve-racking. I was very sexually inexperienced and limited in that area, so it was all a bit embarrassing."

"I was so unthinking and so naive and young that that was

the day I invited my mum and brother to the set."

Kelly almost wrecked her screen debut by getting drunk.

She said: "I think it was my first day filming – a whole day and night shoot."

"All the boys were quite naughty and were drinking, so I was drinking. I'd been in the pub for hours with various people who weren't filming scenes, and Shirley Henderson, who played Gail, said, 'You might want to stop drinking'."

"She was totally right. I think I was actually hungover by the time I did the scene."

The pair disguise the princess for a night out in a rough gay bar in London.

But as they're both more interested in penises, she keeps her kit on in the show.

Corrie is in clear over gay death

CORONATION Street will not be investigated by Ofcom after the soap attracted more than 200 complaints over the killing off of a gay character.

The broadcasting watchdog received 236 complaints over the death of Rana (above), who died on her wedding day.

Complaints said that the ITV soap's storyline was harmful to the LGBT+ community, by propagating the idea that gay relationships end in tragedy.

However, Ofcom has assessed the grievances and has chosen not to investigate further.

A spokesman said: "In our view, the untimely death of the character was typical of this soap's dramatic plotlines and would not have exceeded most viewers' expectations."

In the episode that aired on March 18, fans were devastated to see Bhavna Limbachia's character Rana die as a factory collapsed shortly before she was supposed to marry Kate Connor, played by Faye Brookes.

Carjack killer caught in buff

A MAN wanted over a fatal shooting was caught after he carjacked a vehicle then was spotted running naked through traffic in front of a fast food restaurant.

Eugene Weathers, 40 (above) – also known as "Wix" – is the suspected shooter in a murder which claimed the life of Jonathan Simmons, 35.

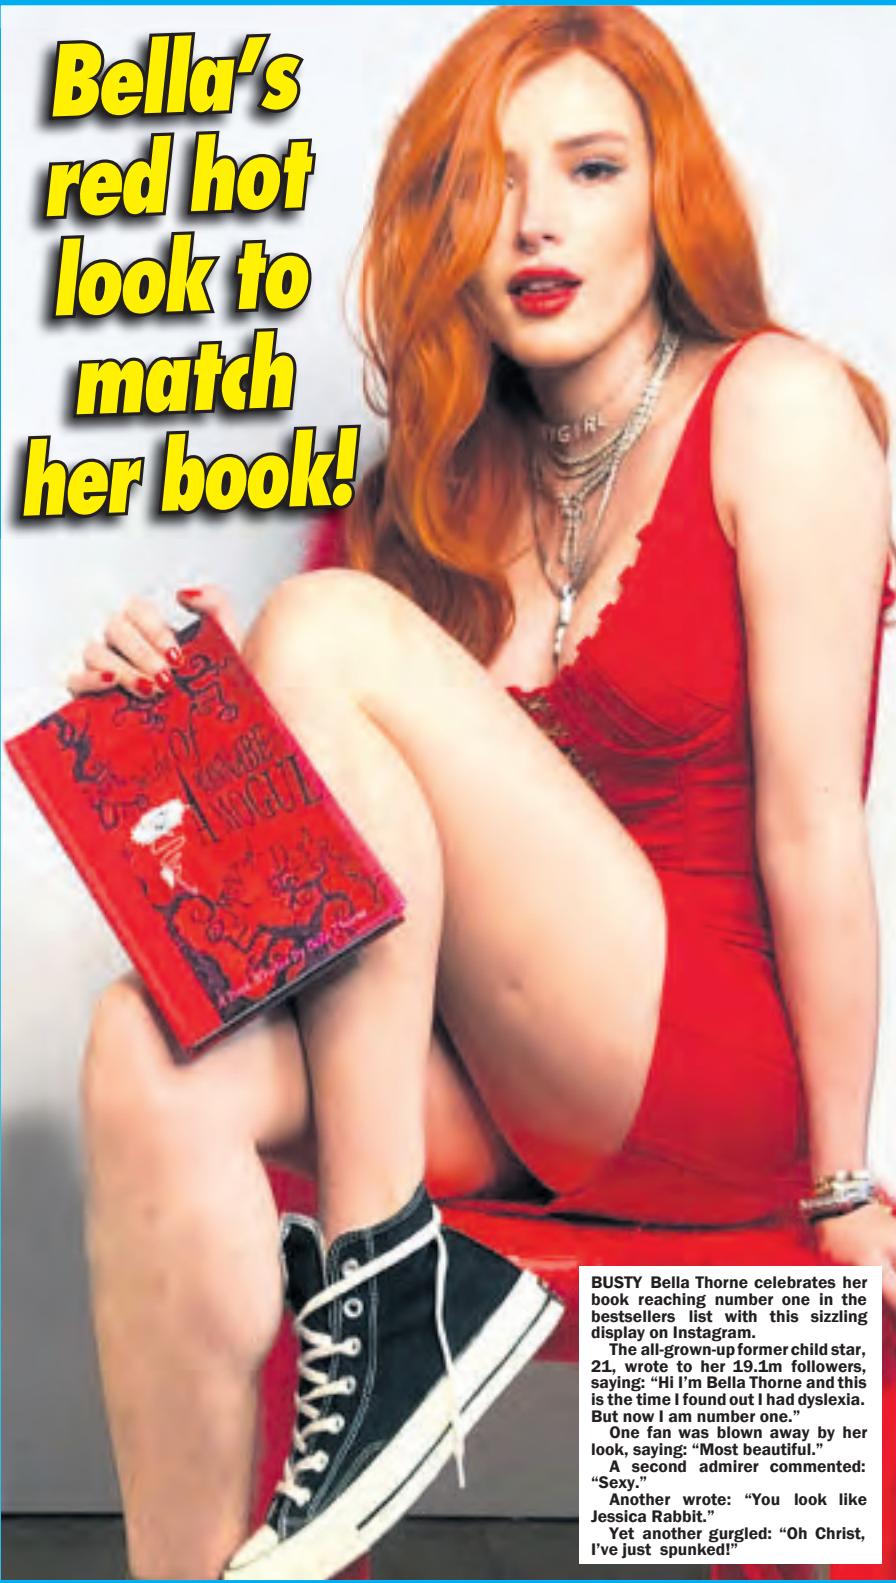

Cops said six days later Weathers stole a man's car and as the victim told cops about the motor crime, they saw Weathers running naked through traffic in New Orleans.

He was booked on second-degree murder and carjacking charges.

HACKER CAGED FOR BLACKMAILING PORN FANS

Bella's red hot look to match her book!

BUSTY Bella Thorne celebrates her book reaching number one in the bestsellers list with this sizzling display on Instagram.

The all-grow-up former child star, 21, wrote to her 19.1m followers, saying: "Hi I'm Bella Thorne and this is the time I found out I had dyslexia. But now I am number one."

One fan was blown away by her look, saying: "Most beautiful."

A second admirer commented: "Sexy."

Another wrote: "You look like Jessica Rabbit."

Yet another gurgled: "Oh Christ, I've just spunked!"

A HACKER who blackmailed porn website users in what investigators say is the UK's most serious cyber crime case has been jailed for more than six years.

Zain Qaiser targeted millions of computers with malicious browser-locking software which demanded payment of up to £750 to unfreeze the screens, Kingston Crown Court heard.

Qaiser, 24, who worked with an international Russian crime group, received more than £500,000 through the global scheme, which he spent on luxury hotel stays, gambling and a Rolex watch.

The National Crime Agency considers it the most serious case of cyber crime they have investigated, the court heard.

Former computer science student Qaiser, of Barking, east London, committed most of his crimes between the age of 18 and 19.

Infected

Using the online name K!NG, he bought masses of advertising on porn sites, prosecutor Joel Smith said.

But when users clicked the corrupted links, their computers were exposed to highly sophisticated "Angler" software.

Infected computers showed a message impersonating cops in the user's country saying an offence had been committed and demanding payment of up to 1,000 dollars (£767), the court heard.

The crime group collected millions of pounds in profits from

victims in more than 20 countries, although the total number of people who paid the fee is unknown.

Some advertisers were "happy to turn a blind eye" to Qaiser's actions – but those who tried to stop him "became the subject of the defendant's anger", Mr Smith told the court.

Qaiser blackmailed them and tried to flood their servers with DDoS (distributed denial of service) attacks, putting the sites out of action and costing them dearly.

Qaiser, who initially denied the crimes and claimed he himself had been hacked, admitted blackmail and fraud by false representation, among other charges.

Prosecutors suspect Qaiser has money stored in offshore accounts but have been unable to directly trace them so far, Mr Smith said.

Passing sentence and jailing Qaiser for six years, five months, Judge Timothy Lamb QC said: "The harm caused by your offending was extensive."

Cock pain in Spain for 'alien'

The man – understood to be Spanish – was seen waving the member in one hand while claiming to be an "alien called Sergio".

He was rushed to hospital for emergency surgery where medics found the remains of his wrecked willy wrapped with rubber bands and shoelaces.

It was also reported he showed signs of having suffered a blow to the head.

Art teacher rapped over nude video

A TEACHER has been suspended for showing her students "sexually suggestive" nudity during an art class.

Brenda Fischer faces suspension after she admitted showing her students a video with nude models.

The incident took place during two creative photography classes last August.

The complaint alleges that Fischer "by her own admission, had previewed the video before she played it" for her students.

The pupils said that the video, which has not been identified, shows a number of photos taken by a photographer.

"Fischer showed students images of a topless female holding the genitals of a male who was naked from the waist down," the complaint says.

The students say they also saw "images of a male kneeling and appearing to stare into the naked genitals of a female standing in front him" and a "male crouched on the floor and submitting to a dominant sex partner".

Fischer, from Davie, Florida, is accused of misconduct in office, incompetence, and willful neglect of duty.

Mechanic charged over 'sex' for parts

A MECHANIC has been arrested after harassing a woman into swapping sex for CAR REPAIRS.

Last month the female victim visited to the garage where 30-year-old Kenneth Hess (above) was working.

She met with Hess and the manager and discussed the repairs needed for her car.

The woman said Hess later contacted her saying he found another problem but would fix it for free if she went back on Sunday.

After she left her car at the garage a second time, Hess texted her cancelling the repair - saying he thought it was a "different type of deal" before sending a sexually suggestive text.

Hess, from Dubuque, Iowa, now faces a charge of 3rd-degree harassment.

Authorities make plea to poo pests

By ROY DURRIDGE news@sundaysport.co.uk

SECURITY guards at a popular pier are kicking up a stink over visitors SHITTING on it.

Now local authorities are demanding that people pooping on South Shields Pier in Tyneside stop the foul practice.

Human faeces has been found on several occasions in recent weeks by security guards at the Port of Tyne, according to a notice on the pier.

The guards, known as watchmen, have been putting their health at risk picking up the filth, the notice said.

It added that anyone "caught in the act" would be "removed from the pier and banned".

A spokeswoman for the port said: "Fouling on the piers will not be tolerated."

People commenting Facebook group South Shields in Old Photos called it "disgusting".

One, Jamie Ailano, said the "end of the pier smells like pee".

He added: "Last time we walked up to the end there were about 10 blokes just peeing up the walls."

FREEDOM:

Lorraine
Borowski

A MAN convicted of murder as a member of the notorious "Ripper Crew" that killed as many as 20 women in the 1980s has been released from prison.

Thomas Kokoraleis, 58, was freed by the Illinois Department of Corrections and, in line with U.S. law, those living close to the address he was released to received an alert.

To many people, his name meant nothing – but a quick google gave residents the shocking truth.

Evil Kokoraleis was initially sentenced to life in prison for the horrific 1982 slaying of 21-year-old Lorraine "Lorry" Ann Borowski.

But prosecutors allowed him to plead guilty on appeal in exchange for a 70-year prison term.

The deal allowed for his release last week.

Relatives of some victims were infuriated in 2017 when they learned of Kokoraleis' expected release and delayed his initial parole date.

James Lukose, executive director of Wayside Cross Ministries in Aurora, a Chicago suburb, said he spoke to Kokoraleis after a Bible study class.

He said during the conversation Kokoraleis admitted he is a sinner and asked for forgiveness, noting the killer showed a desire to be saved by God, and had "cried like a child".

But can anyone be forgiven for the savage crimes, detailed here, committed by the Ripper Crew...

THE Chicago Ripper Crew murders shocked and terrified the city in 1981 and 1982.

Four men – ringleader Robin Gecht, Edward Spreitzer, and brothers Andrew and Thomas Kokoraleis – were suspects in the kidnapping, assault and torture of 18 women.

They claimed to be part of a satanic cult, and the women were the victims of dark and horrific rituals.

The Crew were part of a much larger movement in the 1980s known as the Satanic Panic.

America experienced a wave of fear surrounding anything occult, and although most of the scares were false alarms, the Ripper Crew were all too real.

Agonising

Two of the four men remain in prison for life, one without the possibility of parole, and one unlikely to live long enough to see his parole date.

The third was the final person executed in the state before Illinois ended its use of capital punishment, and the fourth, Thomas Kokoraleis, has just been released.

The Ripper Crew made sure their victims died an agonising death.

The terror began on May 23, 1981, when 28-year-old Linda Sutton was abducted.

Her body was found 10 days later in Villa Park, a suburb of Chicago.

She was face-down, handcuffed, and her

By ROY DURRIDGE news@sundaysport.co.uk

left breast removed. Seventeen dollars was found stuffed in her sock, leading cops to believe that she was a prostitute.

Linda's killing set the pattern.

After pulling a young woman into their van, the four men beat, stabbed, and sexually assaulted her until she submitted.

The attacks lasted for hours, and the women were alive for most of the process.

The Ripper Crew's final act before the women died was usually to remove the breasts using a wire garrote – and then to masturbate using the severed flesh.

Targeted

While the men then disposed of the bodies in alleys and woodland, they saved the breasts for the last part of their vile ritual – cannibalistic communion.

Police believe the Chicago Ripper Crew snatched between 18 and 20 women from the streets. They targeted sex workers, though not all their victims fitted that description.

Some abductions happened on busy streets in the middle of the day, where the men quickly pulled victims into their red van. They took any woman they could, so long as she was alone and looked vulnerable.

Age didn't matter, but one source said ringleader Robin Gecht's one requirement was the victim needed to have large breasts.

The Ripper Crew concluded each of their attacks with a cannibalistic ceremony. They returned to an altar in Robin Gecht's home,

where they read from The Satanic Bible and pleased themselves into the severed breast. Then they cut it up and ate it. Gecht kept whatever was left as a trophy.

The other victims included:

- Shui Mak, 30, raped, mutilated, and killed by unknown causes on May 29, 1982,
- Sandra Delaware, who was raped, mutilated, stabbed, and fatally strangled on August 28, and,
- Rose Beck Davis, 30, who was raped, mutilated, and stabbed on September 8.

On December 6, 1982, the Ripper Crew kidnapped their final victim.

They took teenager Beverly Washington into their van and subjected her to their

usual merciless routine, before dumping her near railway tracks, where someone passing by found her.

In spite of her injuries and massive blood loss, she was still alive.

From her hospital bed, Washington gave police the information they needed to track down the red van and the four men involved in the serial murders.

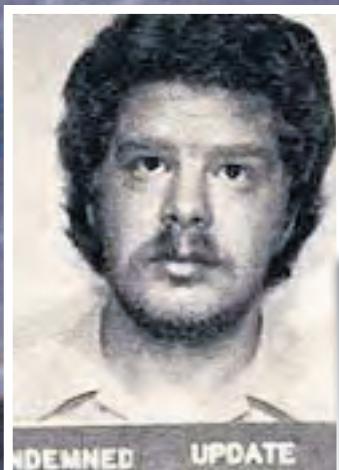

Chilling

In a curious, or perhaps even chilling coincidence, Robin Gecht and "Killer Clown" John Wayne Gacy had a lot in common. Both were Chicago-based serial killers,

and both managed to pass as totally normal within their communities.

With his side gig as a party clown, Gacy came across as an average family man. Meanwhile, Gecht had a wife and three children and worked as an electrician and handyman.

During the peak of Gacy's killing spree, he contracted Gecht to do electrical work. No-one knows whether the two men discussed anything they had in common beyond their careers.

The Ripper Crew's gathering place was Robin Gecht's home, where he lived with his wife and three children.

He created a satanic shrine in the attic, which had six upside-down crosses painted on the wall. It was where the crew conducted the various stages of their rituals.

The Satanic Panic of the 1980s was the closest thing to a witch hunt the 20th century witnessed.

Communities across the United States experienced a wave of anxiety revolving around "stranger danger" that had been growing since the 1960s and 1970s.

The 80s were a time of big changes in America, and many felt traditional family life and religious values were under attack. That attitude paved the way for the Satanic Panic.

Since many Americans already had their guard up, they readily believed the stories they heard about demon clowns, satanic babysitters and suburban families dabbling

CONNECTION:
Killer Gacy
contracted

in occult practices. Most of those stories were unfounded. Police even found therapists had coached many children in the daycare trials to give sensational and horrifying descriptions of scenes that never happened.

Alarms

But amid all the false alarms and stories blown out of proportion by the media, the Chicago Ripper Crew proved there was some truth to the Satanic Panic after all.

Though Robin Gecht is widely known as the leader of the Chicago Ripper Crew, police never convicted him of any of the

group's murders due to lack of evidence. Of the four men, he was the only one who maintained his innocence and refused to give any information to the police.

But Beverly Washington, the crew's final victim, survived and was able to give testimony to ensure Gecht went to prison. He received a sentence of 120 years for the rape and mutilation of four women, and will only be eligible for parole in 2042.

Cops were only able to pin one of the murders committed by the Ripper Crew on Thomas Kokoraleis – that of 21-year-old Lorraine "Lorry" Ann Borowski in May 1982.

He received a sentence of 70 years in prison, with day-for-day credit for good behaviour. He had originally received a life sentence, but took a plea deal after a retrial.

In 1999, Andrew Kokoraleis was the last person executed in Illinois for his crimes – he got a lethal injection.

According to Kokoraleis's brother Greg, Andrew decided to re-embrace his non-satanic faith, in God, before his death.

He said: "We'll see him again up in heaven."

In 2000, then Illinois Governor George Ryan placed a 10-year suspension on executions and in 2011, the state ruled it would no longer be using the death penalty.

For the fourth Ripper Crew member, Edward Spreitzer, Ryan's ruling meant his sentence changed from death by lethal injection to life without parole.

Women snub bonking over farting fears

ONE in five women report they've refused to have sex with their partners as they fear FARTING or even FOLLOWING THROUGH!

Gastroenterologist Dr Simon Smale says many women are distressed by undiagnosed irritable bowel syndrome.

He said: "Women are often worried about the effect of gut symptoms on their relationships but their partners are much less worried. Often, the men are more like, 'Well, everybody farts.'

"We all strive for a sort of intimacy and that is difficult for women when they're worried about passing wind or that they might lose control of their bowels."

I bet that's as a thrilling ride as Tiger Roll

LOTTIE Moss sent her fans nuts by posting a series of racy TOPLESS Instagram snaps – with one saying he wanted to RIM her!

The stunner, 21, sent temperatures soaring as photos saw her don a pair of tiny denim shorts and nothing else.

Kate Moss's half sister captioned her series of photos: "Free the nipple."

But her naked display brought out the worst in some commentators on the Daily Mail's "sidebar of shame", known for its near-the-knuckle images.

Grope

One, called Fullers, suggesting male fans would be reaching for the Kleenex, wrote: "Cue mass clatter of keyboards by men 'working at home'."

Another, dozy twonk, said: "I would like to be behind for a quick grope."

But website user Millennial Kasayy out-outraged everyone else with his comment: "HOTTIE..... would lick her bum-hole, yum~! (SERIOUSLY) =P!"

Licking the bumhole is popularly known as "rimming", although boffins refer to it as "anilingus".

Gloria's an Estefan of pie!

SINGER Gloria Estefan says she's looking forward to tucking into steak and kidney pie when the musical about her life hits London's West End.

Ahead of the June launch of *On Your Feet: The Story of Emilio and Gloria Estefan*, the 61-year-old star said: "I love steak and kidney pie and lots of other things that I haven't been able to eat recently, because I've been on a diet."

B LONDE bombshell Zdenka has a very kinky secret – she likes to have sex outside!

The 29-year-old, who boasts a lovely pair of 32D's which she regularly whips out in public, said: "I love the feeling of doing something so private somewhere quite public.

"The first time was in a nightclub toilet, then in an alleyway and then a car.

"Before long, we were shagging on beaches and in the woods.

"But my all-time favourite bonk was when I got bent over

a stone wall in a field and got f***ed doggy-style.

"We were both horny and the bloke I was with just bent me over the wall, moved my knickers to one side and slipped in his cock."

"I liked the intensity of that, but I quickly stripped off and got fully naked."

"It was so rude and I was wet the minute I took my panties off."

"Hopefully, if the weather's nice and warm this weekend, I can squeeze in another amazing countryside romp."

HOW TO CONFUSE A VEGETARIAN...

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'M a 58-year-old fella and I live in a block of flats where my neighbours are mostly middle-aged divorced women.

Two of them are really fit and last week the three us decided to have a couple of lagers at my place. One thing led to another and I ended up

One thing led to another and I ended mounting one from behind as I played with the other one – before swapping over.

Then I climbed on one in the missionary position and gave her a proper rodding,

Now one of my lovers has suggested

It's tempting, from the sex angle,

but I like being free and single.
What do you think?

Ashleigh says...

ASHLEY SAYS...
WHATEVER you decide, just keep bonking - it will keep you all yooung and fit!

Dear Ashleigh,

I'M a big fan of *EastEnders* but my girlfriend, who is from up north, is a *Coronation Street* nut who records all the episodes so she can view them over and over.

I think she's crackers but I realise we all have to make some sacrifices.

Mind you, she does reward me by letting me do her up the bum once a week and also gives me a daily blowjob.

But having sat through all these episodes, I've started picking up a Mancunian accent.

Mancunian accent.
Any advice?

KD, east London

Ashleigh says...
COUNT yourself lucky that she's not into watching old episodes of *Crossroads!*

Dear Ashleigh,

MY bird's best mate has just split up with her long-term boyfriend.

She's a really fit blonde – with great legs, a lovely round arse and a cracking pair of boobs.

I saw her in the pub a few days ago and she said that she had always fancied me and would like to have sex with me until she finds a new boyfriend.

I'm tempted, as she said she wouldn't tell my bird and I've heard she's absolutely filthy in bed.

What do you think?

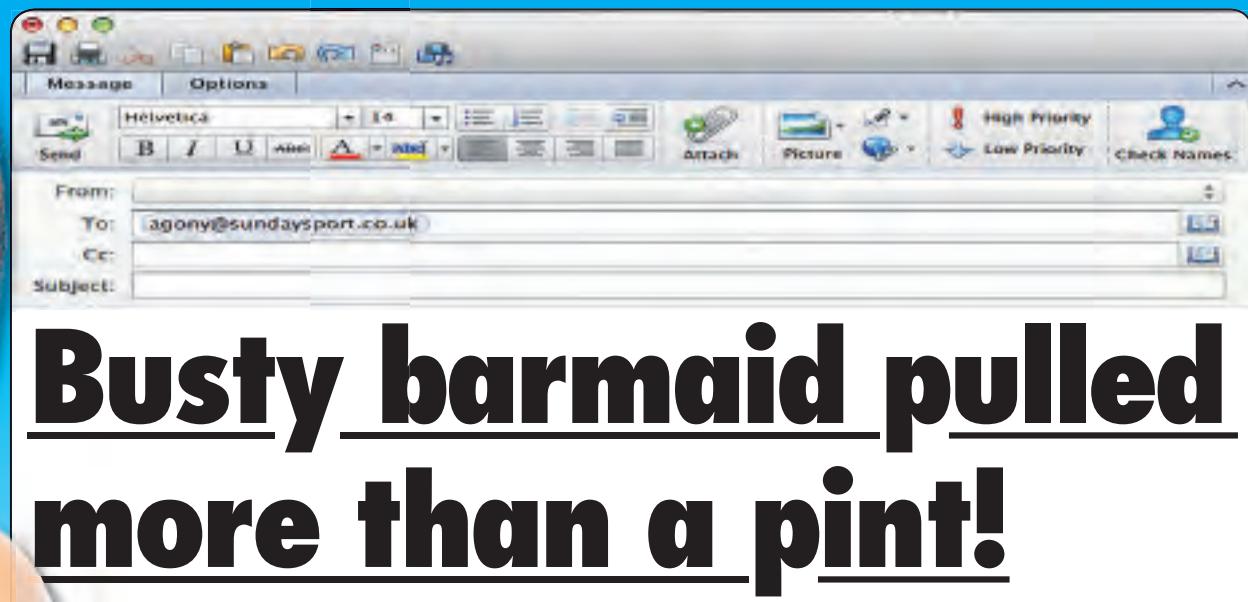

NH, Manchester

Ashleigh says...

IF you can trust her, go for it – but it sounds a bit dodgy.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Dear Ashleigh,

A COUPLE of weeks ago, a brand new busty barmaid started work at my local pub.

She's in her mid-40s and is a typical pint-puller – all tight skirts, low-cut tops and a face caked in make-up.

I'm in the boozer most nights for a couple of drinks and the "crack" with some of the locals – anything to get away from the nagging wife for a few hours.

One night, it was a bit quiet and as the barmaid was pulling my second pint I realised I was the only customer in the place.

She had a wicked grin on her face and told me to watch the bar for a minute while she went to the front door of the pub and locked it.

Horny

I told her she'd get a bollocking from the landlord, but she laughed and said he'd gone out for the night and wouldn't be back until the early hours.

Then she grabbed my wrist and led me upstairs to the private quarters.

She said it was obvious that I wanted a shag and as she was feeling horny too, there was no point in messing about.

She leaned forward so her boobs spilled out of her top and rubbed them in my face.

At the same time, I felt her fingers

unzipping my pants and she pulled out my cock and began wanking it quite vigorously.

Then she fell backwards on to a sofa with her skirt pulled up and her panties down and skillfully guided my knob into her pussy.

I hardly had time to do some serious shagging before I'd shot my load.

She cried out in ecstasy – but wasn't satisfied with that.

Soon she was sucking me hard again and I had to f**k her twice more before she'd let me go!

Now she wants me to leave my wife and move in with her.

But I could never dump my missus for such a brassy trollop.

What should I do?

TD, Leeds

Ashleigh says...

FIND another pub.

Dear Ashleigh,

I'VE been dating my girlfriend for three months. She's 21 and blonde – with a cracking pair of tits.

She loves taking it in every hole and she gives the best blowjobs I've ever had.

But, the best thing about her is her 39-year-old mum, who's also blonde but better-looking with a nice figure.

I've had loads of wanks about her since I caught her taking off her clothes for a shower and saw her 36DDs in the flesh.

She actually gave me a cheeky smile and wiggled her arse at me!

I'm torn between making a move on her or telling my girl what her mum did.

BW, Dorset

10-inch trouser snake made me hiss with joy

Dear Ashleigh,

I'M a 23-year-old woman and I work in a pet shop. A couple of weeks ago a man came in just as I was locking up.

He said he was interested in buying a large, exotic snake. But after a while it was HIS snake that I started to show an interest in!

I noticed a bulge developing in his trousers as he seemed to be turned on by my sales patter.

But I carried on and he slipped his hand into his pocket and I could see him playing with himself.

I was getting a bit excited myself by that time, so I told him I would show him a few reptiles.

I led him to my back room, but I guess he must have twigged what I had in mind.

Thrusting

As soon as I'd closed the door behind us, he unzipped his pants and brought out the most amazing trouser-snake I've ever seen.

It must have been at least 10 inches long and a good three inches in girth.

I bent over a table and he was soon thrusting away at me with his monster cock. I let out a squeal of delight as my dam burst.

He promised he'd come back the next day to pick up his pet snake – but he never returned.

Do you think I put him off by making myself such an easy lay?

FP, Northumberland

Ashleigh says...

YOU were a bit keen. And it seems your snake charmer is now HISstory.

Dear Ashleigh,

MY wife and I went away on holiday to Spain recently.

She's 36 and pretty fit, but we don't often have sex these days.

On our first night, when we had finished our meal, she said she felt tired and went back to the hotel room to get some sleep.

I said I would go for a beer in the town and try not to disturb her later.

In one bar I got talking to a young English girl. She was flirty and offered to take me outside with her.

On the beach, this gorgeous blonde babe went to work, licking and sucking on my length and cradling my balls in her hands as I lay on the sand.

Then I dropped to my knees to peel off her G-string with my teeth.

She had a bush that was trimmed neatly with a landing strip and I slid my tongue into her fanny.

Finally, I bent her over and gave her a right good seeing-to.

But imagine my surprise when I went down to breakfast the next morning with the wife and found out the girl I had shagged was our waitress!

She blabbed to the wife, who's now not talking to me.

What shall I do?

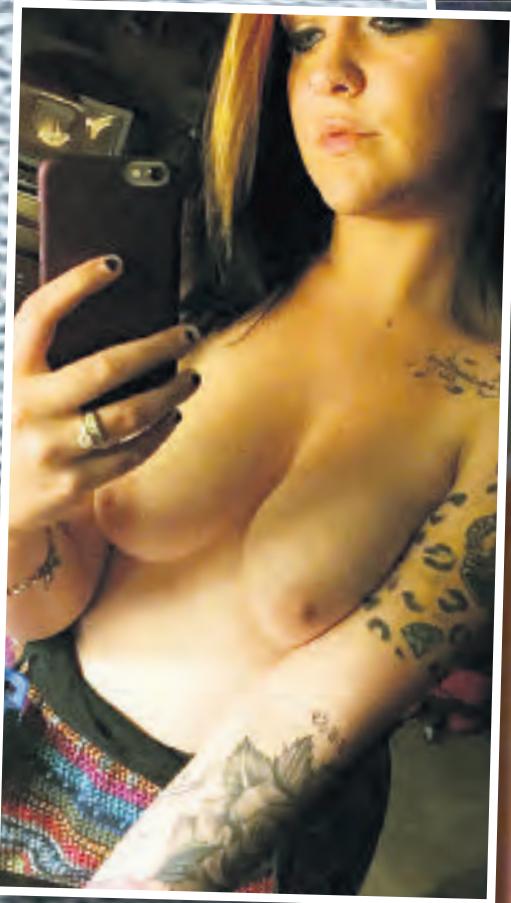

DM, Kent

Ashleigh says...

SAY sorry and book another holiday.

MY SEX FANTASY

I'd invite my fella to join in, and give us both a good finishing off!

MY ultimate sex fantasy has to be to get it on with a gorgeous girl while my fella watches us.

I've never had a threesome, but it's definitely something I'm well up for trying.

I'm straight, but I can't deny that

other women are so incredibly sexy. There's just something so hot about a lady with curves in all the right places – I love an hour glass figure with nice boobs and a peachy bum.

I also have a thing for women with tattoos and a bit of sass.

I imagine arranging a threesome and my fella sitting in the corner while me

and the girl kiss and slowly undress each other on the bed.

After lots of foreplay, plenty of licking and getting each other really worked up I'd then invite my boyfriend to join in, and give us both a good finishing off!

I'm just waiting for the right offer to come along...

SHOW ME THE HONEY!

JAY HARRIS

BINMAN Corey Noble spotted a picture of Jay Harris while emptying the bins – and he's been hooked on her ever since.

The 23-year-old, from London, was on his rounds when he saw a topless beauty sticking out of the trash.

He picked up 24-year-old Jay, from Derby, out of a bin and he's been entranced by her 30DDs since then.

Corey said: "I saw a pair of boobs in one person's bin and took it out."

"It was Jay. She's stunning, but I want another picture to stare at – please could I see one?"

SARAH LONGBOTTOM

ELECTRICIAN Ian Warner begged us for a picture of his favourite glamour girl, Sarah Longbottom.

The 43-year-old, from Stockport, Greater Manchester, sent us an email asking for a busty picture of brunette babe Sarah.

It's easy to see why Ian has the hots for the 28-year-old Oldham beauty.

He said: "She's so fit. I love a good boob and Sarah's 32F's are the perfect handful.

"I'd love to cop a good feel!"

WELCOME to the interactive **Midweek Sport** – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

NATALIE HOLSTROM

BETTING shop manager Gavin Holliday knows where he'd put his money if he had to bet on the best boobs.

Gavin, 33, from Swansea, reckons there's no one out there who can match Natalie's 36D sweater stretchers.

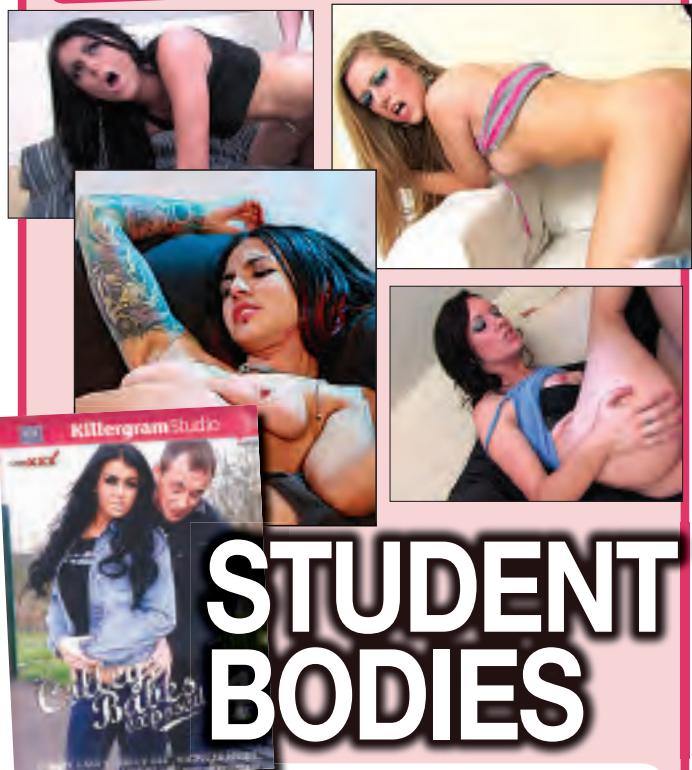

He doesn't only think the 26-year-old, from his home town, has the best boobs in the Wales – but the best rack in the world.

Gavin said: "If they did an award for the greatest boobs in the world, I'd happily put a grand on Natalie nabbing the gong."

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

WITH HIS SPORT ODDS AND ENDS

HERE HE
COMES:
Lionel
Messi

BARCA GROANER FOR REDS

MANCHESTER United entertain Barcelona this evening in the Champions League quarter-final. This is the first meeting between the sides since Barcelona's famous 3-1 win in the 2011 final at Wembley.

Lionel Messi scored the second goal in that brilliant Barcelona win, but the Argentinian has, surprisingly, failed to score in 11 Champions League quarter-final ties and has attempted 49 shots in this barren period.

United have already lost at home to Juventus and PSG in the Champions League this season and they are 27/10 at BetVictor to beat the Catalans.

Barcelona are 20/21 with BetVictor to take a lead back to Spain next week and I would be surprised if they failed where Juve and PSG succeeded. Barcelona were 7/2 with BetVictor to lift the Trophy in Madrid on June 1 ahead of last night's opening quarter-final ties.

I wonder if their 11-point lead in Spain will be crucial in the destiny of the Champions League with Liverpool and Man City trading blows at the top of the Premier League until the last weekend of the season.

United need to keep a clean sheet but I can't see past a win for Barcelona. United rode their luck in Turin and Paris earlier in the season but I can't see them qualifying for the semi-final and a possible meeting with Liverpool. United are 16/1 to win the Champions League and 11/4 at BetVictor to make the last four. I think their luck will run out against Barcelona.

Vulnerable

Arsenal folded tamely – as expected – against a resurgent Everton on Sunday but they have kept a clean sheet in their last three home games and I feel they will take a lead back to Naples after the first leg of their Europa league tie tomorrow night at the Emirates.

Napoli have never won in England – D1L7 – and trail Juventus by 20 points in La Liga. They lost 2-1 at Empoli in Serie A and 3-1 at Red Bull Salzburg in the last 16 of the Europa League so they are vulnerable on the road and I hope the Gunners can exploit that weakness.

Arsenal are 11/8 with BetVictor to win tomorrow night with Napoli 15/8 and the draw 5/2. I didn't agree with Unai Emery's starting XI at Goodison and this is a big game for Mesut Ozil who, again, flattered to deceive.

Arsenal are 11/8 at BetVictor to qualify for the semi and their form away from the Emirates is so poor you feel they must take a lead to southern Italy next week. The Gunners are 9/2 with BetVictor to win the Europa League and return to the Champions League next term.

Chelsea are 7/4 favourites to win the Europa League and travel to Prague tomorrow to meet a Slavia side who have scored 10-times in their last two domestic games.

The Blues meet Liverpool in the Premier League at Anfield on Sunday and I feel they will get a draw in the Czech Republic courtesy of a 1-1 scoreline which is priced at 7/1 with BetVictor.

Callum: I Haz to copy Eden

HUDSON-ODOI STUNNED BY BELGIAN SUPERSTAR

CALLUM Hudson-Odoi says he wants to learn as much as he can from Eden Hazard.

The Chelsea starlet admitted his jaw dropped when watching the Belgian score his wonder goal against West Ham on Monday night.

Hazard slalomed past half the Hammers team before slotting the ball home, bringing back memories of Ricky Villa and John Barnes goals from the 1980s.

That took his tally to 19 for the season and Hudson-Odoi is being inspired by the Real Madrid target's sensational form.

The teenager said: "I

By PAUL THOMAS

watched the whole thing with my mouth wide open.

"He's an exceptional player, though, and I do expect things like that from him.

"I just watch and learn from him in training, and then in games.

"Watching someone like that, he is a superb role model to look up to."

Monday's win shot the Blues into third place in the Premier League having played one game more than rivals Tottenham.

Hudson-Odoi believes the London derby success is a key step towards qualifying for the Champions League. The

England forward added: "The three points were absolutely crucial."

"A couple of other teams dropped points so we needed to get the result, and we did and we did it in the right manner as well."

Move

"Our mentality was strong, we worked hard throughout the game, and we had to stay patient because they stayed very compact."

"So we just had to keep working, and getting our way through and trying to keep moving the ball, and I felt we did that well."

Real Madrid look certain to make a £100m move for Haz-

ard at the end of the season and he's keen on heading to the Spanish giants.

Scoring goals like the one against the Hammers only enhances his reputation at the Bernabeau.

In the meantime, Hazard believes he can form a good partnership with Gonzalo Higuain.

He said: "We're starting to understand each other."

"It's not easy, he's only playing here two or three months. He's a great player."

"He's involved in the game, he can come deep, go forward."

"The relationship is getting better. We have five games to play now, plus Europa League, so I hope this relationship can move forward."

DON'T FORGET SUAREZ TOO

Ole in warning to stars

OLE Gunnar Solskjaer admits it will be tough to keep Lionel Messi under wraps at Old Trafford — but he's not the only ace in Barcelona's pack.

The United boss realises he's coming up against the world's top player — and partner in crime Luis Suarez is one of the best on the planet too. The Norwegian is scratching his head trying to come up with a plan to keep the Catalan giants quiet. Solskjaer said: "What kind of plan can you have to stop one of the best players in the world?

"We're looking forward to it and relishing the opportunity but this season we've played against Juventus and Ronaldo, PSG with Mbappe, we've had Hazard.

"Luis Suarez as well. Suarez, Coutinho and Messi will keep our defenders on their toes so let's see how we manage.

"Messi will be difficult to stop but it's never impossible to stop any member of the other team."

Solskjaer has already pulled off one miracle in the Champions League by knocking out Paris St Germain and is hoping for another big night at Old Trafford. He added: "Every game is the biggest game. The next one is always the biggest but of course when you get a Barcelona — with the history and traditions of that club, the quality of their team and individuals — we know we need to step up our game.

"We know we need to perform at our best level, which we didn't against PSG in the home game.

"But I think the outcome of the second leg has given players belief, supporters belief that it is possible against a Barcelona team as well."

United have a major worry over the fitness of Marcus Rashford.

Reaction

The Reds striker wasn't able to play a full part in training because of a troublesome ankle injury.

Nemanja Matic, Ander Herrera, Eric Bailly and Antonio Valencia are also doubts.

Solskjaer has been explaining why Rashford was training on his own. He said: "He needed the extra warm-up and hopefully he won't get a reaction. He joined parts of training at the end. Let's see. Hopefully he'll be ready."

United have had a couple of iffy results since Solskjaer was given the job on a permanent basis.

They were knocked out of the FA Cup by Wolves and the Norwegian is looking for a response.

He added: "We have given ourselves a great chance to challenge for the top four.

"Nobody would have thought that and the Champions League is possible too if we perform at our best."

GUNNERS UP FOUR EUROPE

ARSENAL only need to win four of their final six league games to earn a Champions League spot.

That's the view of defender Sokratis Papastathopoulos who thinks the Gunners can still afford a couple of slip-ups.

Arsenal have dropped out of the Champions League places but it's tight at the top.

Sokratis is still reeling from the Gunners' weekend defeat against Everton when they barely landed a blow on the Tofties.

The Greek international said:

By ANDY MILLOM

"We didn't play like other weeks but we knew before the game it would be difficult there and I think that we didn't have the same fight."

"We didn't win a lot of battles. We conceded a goal that is a little bit easy and lost the game."

"But we are looking forward. We know that we have to win at least two games at home and two games away."

"We need to win at least four

games. In the end, we will see if we are there."

Arsenal have been in cracking form at home but have been shocking on the road with only five wins all season.

They have won fewer points away from their own patch than struggling Crystal Palace.

Sokratis is puzzled about what has happened.

He said: "I don't have any idea why. I don't know. But I saw also other teams play good at home and away some days they are good, some days bad."

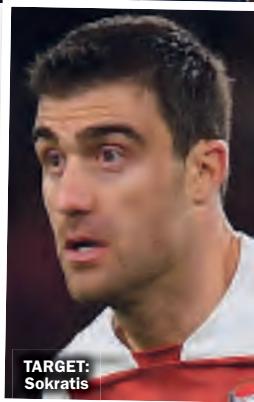

"We have to improve and look

forward to the next game which is important."

"I don't think that it is a mental thing because the other big teams like United, Chelsea — they also lost a lot of points away."

"It is very difficult. We are in England, we are in the Premier League, and the other teams are also good at home."

Sokratis is banned for the next two games and is not happy about it. He added: "I am the guy that likes to play every game, to be there every game. But it's not in my hands now."

Tempuran on road to batter his rivals

WINNING POST WITH BEN MORGAN

TRAFFIC problems meant TEMPURAN (NAP) had to bypass his engagement at Wincanton which must have been very frustrating.

He lines up at Warwick today and can hopefully repay connections' patience. He bolted up at Ludlow two seasons ago but his career has been blighted by injury since. He made a more than satisfactory return at Market Rasen when chasing home a next time out winner and would have come on considerably.

The bounce factor would be a worry but a spin in a charity race at Ludlow should hopefully annihilate those concerns. He could go off a good price in what looks an open race.

Earlier on the card, I fancy SOJOURN to go close in what looks a sub standard novice hurdle. Bubbles Of Gold looks the likely favourite but you can pick holes in his form.

Anthony Honeyball's novice could just prove to be better than his rivals as he should come on for his comeback run behind Trevelyns Corn.

Bad

The bare form would be enough to see him go close but I think he will improve for his first run since an impressive bumper win at Aintree. Again, he too could go off unfancied so stay vigilant.

HASTRUBLA is not the easiest to train but returns from a short break in the 4.20 and should go well.

He rattled up a series of fine second placed efforts before putting in a real poor run last time out. That looked too bad to be true and something must have come to light as he has been off since.

He wouldn't mind a little bit of rain as he is a massive horse but he does have form on good ground so I wouldn't let that concern you. He rates a solid each-way bet.

Nottingham host their first card of the year. I am most interested in one of the older handicappers.

DAWALEEB returned from his winter break to run a fine race in the Spring Mile at Doncaster last time and the form of that race looks strong.

He improved last season and I expect him to do so again this time around as he is still lightly raced.
